# Firstly, the **ABSOLUTE BEST** labeling machine you can purchase is a Nita!

Now that we got that statement out of the way we would like to help you choose the labeling system that will most meet your actual needs...

The Checklist below compares the most important and relevant features on a labeling machine. We are biased but we guarantee no other labeler will stack up to what we offer. Try it out and let's see how quickly we can get you sold on our machines (and our company!).

## Remember – It's Not Just A Labeling Machine. **IT'S A NITA!**

(Warning: The next 3 minutes of your day may **positively** affect your facility's production efficiencies and outputs for many years to come....)

Now determine if the machine you are comparing to a Nita actually stacks up by checking Y or N to each question!
